PARENTS NEEDED TO SERVE AS VOLUNTEER COACHES

This program can only be successful if there are enough volunteers to coach the teams. In recent years, there have not been enough volunteers, and it has been very difficult finding people who were willing to coach. Please consider coaching a team. Lockhart Independent School District must complete a criminal background check on all people who wish to volunteer. The volunteer forms are available at the Community Education Center; it only takes a minute to complete the form. Please consider coaching a team, and please stop by the Community Education Center to register your child and complete the form early in the registration period.
